Appointment in DESU

2530. SHRI HARVENDRA SINGH HANSPAL :

SHRI SHEO KUMAR MISHRA :

Will the Minister of ENERGY be pleased to state :

(a) whether it is a fact that the post of Director of Vigilance in Delhi Electric Supply Undertaking is lying vacant;

(b) if so, what are the reasons for delay in the posting of a regular Director of Vigilnace in DESU; and

(c) since when the post is lying vacant and by when it is likely to be filled by appointing a regular officer ?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRIMATI SUSHILA ROHATGI) : (a) Yes, Sir.

(b) According to DESU delay in appointing a regular Director of Vigilance is due to administrative/procedural reasons.

(c) The post is lying vacant since 16-9-85 when the Director of Vigilance proceeded on leave. Delhi Electric Supply Undertaking is taking action to appoint a suitable officer in consultation with the Central Vigilance Commission and the Government.

Price hike of DMT

2531. SHRI SHANKER SINH VAGHELA :

SHRI BIR BHADRA PRATAP SINGH :

Will the Minister of INDUSTRY be pleased to state :

(a) whether it is a fact that DMT price has been raised by M/s. Indian Petrochemicals Limited from Rs. 17,500/- per tonne to Rs. 19,000/- in March, 1985 and again to Rs. 21,500/- in October, 1985.

(b) if so, what are the details of the increase in cost of production that made IPCL to raise the DMT price; and

(c) what are the findings of the Bureau of Industrial Costs and Prices in this regard ?

THE MINISTER OF STATE IN THE DEPARTMENT OF CHEMICALS AND PETRO-CHEMICALS IN THE MINISTRY OF INDUSTRY (SHRI R. K. JAICHANDRA SINGH) : (a) Yes, Sir. However, Indian Petro-chemicals Corpration Limited (IPCL) then offered a discount of Rs. 500 per tonne making the ex-factory price of DMT Rs. 21,000/- per tonne.

(b) The main reasons for increase in the cost of production of DMT by IPCL include significant rise in prices of major raw materials, increase in power tariff and on account of maintenance and modernisation of the Plant.

(c) According to the cost study of DMT made by Bureau of Industrial Costs and Prices, the weighted average fair selling price of DMT works out to Rs. 21,000/- per tonne.

Export of Maruti technology by Suzuki

2532. SHRI SAGAR RAYKA :

SHRI CHIMANBHAI MEHTA :

Will the Minister of INDUSTRY be pleased to state :

(a) when Suzuki Motor Company of Japan actually started exporting Maruti technology and motor cars to India and when first payment towards royalty and cost of car was made to Suzuki;

(b) how many ready Maruti cars/vans/gypsies were imported and assembled and what was the CIF value thereof;

(c) what is the import content per Maruti vehicle and when do we propose to achieve 100 per cent indigenisation; and
